

LOVE FROM ABOVE

(mix of Country, Folk, Soft Rock, Gospel and Love Song)

When love comes from above...the world becomes the stage, where we each act a part, so let's not play with one another's heart-just cherish the Love from Above-so that we may Never/Ever part!

Honey you are so fine...can't wait to make you mine-because every time we meet-it creates a passionate heat, causing my heart to skip a beat!

I pray each and every day-with all my heart-that we play the part-as husband and wife-for the rest of our life!

Cherish the Love that's in our Heart-so that we may Never-Ever part!

Don't allow the days to slip away and grow us apart, leaving us all alone-with just a broken heart!

I don't need your love tomorrow-I need it today, so don't make me wait any longer because I can't take-any delay!

Love from Above-delivers the lead part-so we can always be-in one another's heart!

Cherish the Love that's in our Heart-so that we may Never-Ever part!

Baby I can't take it when we're apart-because I want you as my lifelong-sweetheart!

The delays only take a toll...I lay in bed yearning for your love, your lips, your body and soul...

Can't wait for the day-we're face to face-loving the nights away-to kiss and embrace...at a much faster...erotic and passionate pace!

With every breath I take-make no mistake-that this is God's will-and our fate-to be one another's soulmate!

Cherish the Love that's in our Heart-so that we may Never-Ever part!

You're always on my mind, so sweet and kind...let's not wait or tempt fate-before it becomes too late-because you will be my first and only mate!

I hope my words and feelings will open the door-so that we can explore-our love...to the core!

When you find true love-that comes from above-play out the role-so you can feel it in your sole!

I pray these words may comfort you through the day-and to allow God to guide the way!

My love for you is true-I'm going crazy without you...I want you as my wife-for the rest of my God-given life!

Cherish the Love from Above- within our Heart-so that we may Never-Ever part!
