

Mystical Magical Mythical

You are so damn hot...I'm on fire...

just can't stop...this burning desire!

It's Mystical and Magical

What the hell...

I go ballistic with your Erotic and Mystic love spell...

Shower me every waking hour...

using your hypnotic-exotic and unrealistic power!

She's Mystical, Magical and Mythical

I can't measure the hot-erotic pleasure...

One will never-ever find...

a lover like mine!

She's Mystical, Magical and Mythical

Spellbind my mind...

with Love potion 69...

To achieve your goal...

Rock my body...

steal my soul...

Your Mystical, Magical and Mythical

It must be fate...

I just can't wait...

to be your seductive-submissive mate...

spending Mystical, Magical, Mythical hours...

from your Mind Controlling Powers!
