

SET MY SOUL ON FIRE with a ROCK n ROLL BURNING DESIRE

Let the good times rock

and

The bad times roll!

Set my soul on fire

with a burning-yearning

desire!

Rock it...dance it out...

twist n shout...

that's what it's all about!

Set my soul on fire

with a burning-yearning

desire!

You caught my eyes...shake those hips and thighs!

When you move your feet-to the beat...

that's when I feel the passionate heat!

Set my soul on fire

with a burning-yearning

desire!

Keep rock alive with

a burning desire...

So that rock n roll...

or

So that rock n roll

will never-ever die...

or

and the fire in my soul

and the fire in my soul

NEVER EVER DIES or goes BYE BYE BYE

NEVER GOES BYE BYE BYE!
