

America's Fate is Mighty and Great

Throughout years of jeers, fears, tears and cheers...

Make no Mistake-America's Fate is Mighty and Great!

Let's Celebrate!

We will use our might...

to stand up and fight

for Freedom's rights!

What an awesome (plight?) sight!

Make no Mistake-America is Mighty and Great...

A Trait to Celebrate!

From sea to all shining seas...

We are all still living free!

Shout out Loud and Proud...

Can't you see...

God shed his grace on thee!

Make no Mistake...

America's Fate is Mighty and Great...

A God Given Trait to Celebrate!

United we Stand...

Divided we Fall...

The Home of the Brave...

pledged an allegiance...

to answer the Call!

MAKE NO MISTAKE-FOR FREEDOM SAKE...

WE SHALL REMAIN MIGHTY and GREAT to CELEBRATE AMERICA'S FATE

on EVERY July 4th DATE!
