

AMERICA is GREAT

Throughout years of jeers, fears, tears and cheers...

Make no Mistake-America is Mighty and Great...

Let's Celebrate!

From our stars and stripes...

we show our might... to stand up and fight...for what's right...

(or- we show our might and stand up to fight...to make a wrong and the world right...)

what an awesome sight!

Make no Mistake-America is Mighty and Great...

a Well-Earned Trait to Celebrate!

From sea to shining seas...

we are all still living free!

Shout out loud and proud...

can't you see...

God shed his grace on thee...

Make no Mistake-America is Mighty and Great...

a God Given Trait...time to Celebrate!

We pledge an allegiance...

United we Stand...

Divided we Fall...

so, we all as one...

answer the call!

Make no Mistake-America is Mighty and Great...

For Freedom's Sake-Let's all Celebrate!
